

# WHAT CAN I DO?

## What is Royal Family Kids' Camps?

The primary purpose of Royal Family Kids' Camps is to give children a week of positive memories in a Christian environment.

# AVALON CAMPGROUND

▶ Have you ever said to yourself....  
"What can I do?"

▶ What could I do to help so many in need?

▶ How can I leave a legacy in this world?

Doing something ,anything will be rewarding, but doing Nothing is not an option.

There are many ways a person or company can contribute, and many reasons why we should.

Many of us are blessed with so much. Sometimes it's with skills sometime it's with time and others it's a blessing of financial freedom that we can give. Whatever your blessing is, know that "to whom much is given much is expected." (Matt 25:21) So really the only question is:

## Who can I help?

## Where do the children we serve come from?

It happens more often than any of us want to believe. Each year, over 3 million American children are reported as abused... physically attacked, emotionally damaged, sexually molested, or severely neglected - often by the people they have loved and trusted most.

Most Social Services departments refer children to faith based camps such as those sponsored by the Salvation Army and Catholic Social Services when two criteria are met; namely, that no child is coerced to accept any particular religion, and that the foster placement program, foster parents or other caretakers are given a voluntary choice. Royal Family Kids' Camps meet these two criteria. The camp is provided for these children at no cost to the parent, guardian, foster parents, or the Department of Human Services.

Although each camp counselor and staff member is a committed Christian, the camps do not proselytize, and no religion is ever criticized or denigrated.

The camps extend Christian love and care, with adults modeling a non-violent, positive way of life as an alternative to many of the negative, abusive situations which abused and neglected children have faced.

Currently in Central Oklahoma there are few available facilities suitable to host a Royal Family Kids' Camp of this magnitude.

Avalon Campground Incorporated, a non-profit 501 (c) 3 corporation, was established to solve this problem.

Avalon will provide a uniquely suited campground to hold such camps for fifty or more Foster Children in each of ten to twelve weeks of Summer.

Undeveloped land for Avalon has been obtained.

Plans are now being drawn for buildings, roads, parking lots, trails, a swimming pool, and activity venues for the campground.

Avalon Campground will be designed in such a way to meet all the needs of the Royal Family Kids Camp criteria.

Avalon will be a premier camground for at risk children to come experience . an safe environment that has nothing more than making positive memories as the goal.

Come join us in helping these children know more than fear, dis-appointment, neglect or abuse.

Help us enable these kids to learn what it means to laugh, play, sing, swim, fish, and to be a child who is loved unconditionally.
